

## Mount Cotton Walk

### Directions

When entering **West Mount Cotton Road via Mount Cotton Road**, it is 1.8 km to the 'green box' where we start the walk. We park on the right hand side of the road in a cleared gravel area. It is in front of property no. 712-730 West Mount Cotton Rd, **Sheldon**. If you watch the property numbers as you drive along, you should have no trouble finding it.

From the **southern end of West Mount Cotton Road**, once you pass the West Mount Cotton Nursery and Café on your left, it is 2.7 km to the meeting place. Again, watch for property no. 712-730 on your left.
