

How to Show Only Our Group Members Your Full Name

If your Meetup profile does not have your full name for privacy reasons it may cause confusion, but you can avoid this by using the Meetup website (not the app) to make your full name available to our group members only:

Part of **Redland Bushwalkers Meetup Network**

Redland Bushwalkers Inc.

Brisbane, Australia

73 members · Private group

Organized by **President RBC** and 25 others

Click on the down arrow next to "You're a member" and select "Your member profile".
